Under 42 U.S.C. § 1983, you may sue state or local officials for the "deprivation of any rights, privileges, or immunities secured by the Constitution and [federal laws]." Under *Bivens v. ☒ State or local officials (a § 1983 claim)

B. Section 1983 allows claims alleging the "deprivation of any rights, privileges, or immunities secured by the Constitution and [federal laws]." 42 U.S.C. § 1983. If you are suing under section 1983, what federal constitutional or statutory right(s) do you claim is/are being violated by state or local officials?

See Statement of Claim

C. Plaintiffs suing under *Bivens* may only recover for the violation of certain constitutional rights. If you are suing under *Bivens*, what constitutional right(s) do you claim is/are being violated by federal officials?

III. Statement of Claim

State as briefly as possible the facts of your case. Describe how each defendant was personally involved in the alleged wrongful action, along with the dates and locations of all relevant events. You may wish to include further details such as the names of other persons involved in the events giving rise to your claims. Do not cite any cases or statutes. If more than one claim is asserted, number each claim and write a short and plain statement of each claim in a separate paragraph. Attach additional pages if needed.

- A. Where did the events giving rise to your claim(s) occur?

On Ypsilanti, Michigan East 194

- B. What date and approximate time did the events giving rise to your claim(s) occur?

On 7-11-23 at about 10:31 am

- C. What are the facts underlying your claim(s)? (For example: What happened to you? Who did what? Was anyone else involved? Who else saw what happened?)

On 7-11-23 Defendants Ryan Sass (hereinafter Sass), Robert Herrot (hereinafter Herrot), conspired together to take, steal, my motorcycle (my private property) 1982 Honda 250 cm, from me and did, by calling Sakstrups (Cont.)

III. C. Statement of Claim Defendants Bass, Herrot

towing which as a result
towed my motorcycle and
conspired in the stealing
of my motorcycle with
Defendants Bass, Herrot, as they
did so without my consent.

I believe Bass, Herrot, did so
because they have a monetary
incentive to do so (though not
necessary to succeed with
my claim) such as a con-
tract with Sakstrups towing
where they get a monetary
percentage of Peoples proper-
ty they steal, tow, call to
have done.

Any, all, reasons Bass, Herrot,
and ~~any~~ any of the other
defendants may use to try
to justify stealing my mo-
torcycle, is no justifiable
reason under my Constitu-

III. C. Statement of Claim
Defendants Sass, Herrot

tional Rights.

Because Defendants Sass, Herrot have violated my Human, God-Given, Constitutional Rights, i have reason to believe its part of a habit, custom, they have been doing to others similarly situated in the past, present, will in the future (until stopped by This Court) and i therefore bring the same claims against Sass, Herrot, for violating The Rights of others of all other unknown similarly situated Plaintiffs (at this time) who have been factually subjected to the same, similar type, of the facts in this complaint as We.

III. Statement of Claim

Defendants Sass, Herrot

Defendants Sass, Herrot, in taking, stealing, depriving me, and all other "Plaintiffs Similarly Situated" of our private property without our consent violated, violates, my, our God-Given, Human, Natural Right to Travel, of Article 12, 13, of The Universal Declaration of Human Rights, Article 1 § 17 of The Michigan Constitution (Due Process), The Fifth, Fourteenth Amendments of The United States Constitution, and constitutes Unreasonable Search and Seizures in violation of Article 1 § 11 of The Michigan Constitution, and The Fourth Amendment of The United States Constitution, and constituted Cruel or Unusual Punishment in violation of Article 1 § 16 of The Michigan

III. Statement of Claim

Constitution, Eighth Amendment
of the United States Consti-
tution

Defendant Mike

On 7-18-23 I, Eric Martin,
physically walked in Sakst-
rups Towing and was no-
tified by Defendant Mike
(hereinafter Mike) that he is
the Manager at Sakstrups
Towing. I notified Mike who
i am and that i am
the owner of the 1982
Honda 250 cm that he is in
possession of,

I told Mike its my pr-
ivate property (my motorcycle) and
as such i want him to
give it to me without

(d)

III. Statement of Claim

Defendant Mike

Trying to make me pay a extortion fee as i dont need to for my private property. I notified Mike the cops called to have it towed against my consent. So therefore he cant rely on the cops taking it (being Defendants Sass, Herrot) since its stealing my property.

Mike refused to give me my motorcycle and therefore conspired with Defendants Sass, Herrot, in depriving me of my motorcycle.

Mike gave me 2 reasons for not giving me my motorcycle. 1. I didnt present him with proof its mine. 2. He

III. Statement of Claim

Defendant Mike

said I need to pay his fees.

I told Mike I wanted my 2 locks off my ~~motorcycle~~ motorcycle, but he refused to give them to me.

I showed Mike my certificate of title form, that I and the guy I bought the motorcycle from, signed that show he ^{sold} ~~soled~~ it to me and I bought it from him.

Mike conspired with Defendants Lass, Herrot, to steal, ~~the~~ deprive me of my motorcycle (private property), and did in fact deprive me of

Defendant ~~Mike~~ Mike

my motorcycle, in violation of Art. 1. § 11 of The Michigan Constitution, Art. 1. § 17 of The Michigan Constitution, Art. 1. § 16 of The Michigan Constitution (as being Cruel ~~or~~ or Unusual Punishment), the Fourth, Eighth, Fourteenth Amendments of The United States Constitution.

Based on Mike's depriving me of my property I have reason to believe he has likewise illegally deprived other currently unknown similarly situated plaintiffs of their private property and as such conspiring with defendants, saxe, herbst, and/or other un-

known John Doe defendant police officers, MSP, etc., because they didn't have a license, or registration, and/or insurance, or for any other reason that's not justified pursuant to Our Human, God-Given, Constitutional Rights to Our Private Property and the specific legal authorities already mentioned above.

Unknown John Doe and/or Jane Doe Defendants (exact number unknown now) that were, and maybe still are, State Senators, Representatives, That are all responsible for creating

III. Statement of Claim

MCL's 257.33, 257.904,
500.3102, 257.215

Defendants John Doe and/or Jane Doe (exact number unknown at this time) were, and all or some may still be, Michigan State Senators, Representatives, who all conspired together to create MCL's 257.33, 257.904, 500.3102, 257.215.

They're creation of these statutes has violated (and will continue to violate till changed by this Court) my Right to Own, Use My Private Property, and To Exercise My Right To Travel In My Private Property, Without Being Harassed By Police Officers, Such as my moped, motorcycle, and to buy, use, a car as my private property (because of the

III.

Statement of Claim

possibility of having it towed, etc.).

This is so because these above statutes made by them gives all the cops fraudulent presumptions that I, and everyone else, needs a license, a license and motorcycle endorsement (for a motorcycle), a registration, certificate of title, insurance for a motorcycle and car, etc, and therefore causes cops to harass me, and all others who are similarly situated Plaintiffs, when i, we, are in fact Traveling By Rights in our private property, be it my, our, moped(s), motorcycle, anything else with a gasoline motor on it, cars, when in fact its our private property and i, we, dont need no one elses

III. Statement of Claim

permission to own, use, our property, and i, we, don't need to pay to use our private property by making us pay for licenses to use it, pay for registration, pay for insurance.

As such, all these above statutes violate our Constitutional Right to use, own, our private property, by making us get someone else's permission to use it, and then pay for it, and trying to force me, us, for permission to exercise Our Right to Travel, in violation of Art. 1 § 17 of The Michigan Constitution, Art. 1 § 11, Art. 1 § 16, Art. 1 § 9 of The Michigan Constitution, and The Fourth, Eighth, Fourteenth Amendments of The United States Constitution, Our God-Given,

(K)

III.

Statement of Claim

Natural, Common Law Rights.

And these statutes are violating these Rights when i, we, havent been using our private property commercially, for profit (carrying passengers, or property for profit). See 18 U.S.C. § 31 (6) (10).

John Doe Defendants #4

John Doe defendants #4 are any, all, Michigan State Police Officers of The Brighton Post in Michigan, and any, all, Michigan State Police Officers in The Whole State of Michigan, who are unknown by name right now and who are unknown at this time by the exact number, who

have in the past violated Peoples Right to Travel, To Own, Use Their Private Property, That Had, A Gasoline Engine On It, And wasnt carrying passengers or property for profit, and therefore wasnt driving a motor vehicle pursuant to 18 U.S.C. 31(4)(10), and therefore wasnt required to have a drivers license, drivers license and motorcycle endorsement (in the case of a motorcycle), nor registration, insurance (which are just ways to get extortion fees to make scam-bags rich and converting Rights to privileges), and arresting People without Probable Cause (in various ways - such as no license plate or tag on the car, or because of not

going within the exact posted speed limit, as an example but not necessarily limited to such), and by writing People tickets when they were traveling By Right in their private property and wasn't technically driving a motor vehicle, but were wrote tickets fraudulently portraying them as driving motor vehicles and as needing drivers licenses, motorcycle endorsements, licenses, when they were never required to have ~~any~~ ^{any} or all of it and suffered as a result with tickets wrote, arrested, private property or consumer goods with a gasoline engine on it, towed, stolen, and naturally causing fear, mental stress.

III.

Statement of Claim

John Doe Defendants
#4

John Doe defendants #4 are not just in the past from the time of the submission of this complaint, but also all who will continue to do so in the future.

John Doe defendants #4 acts/omissions violated our rights which are all the same as cited as to defendants Lass, Herrest. (no need to unnecessarily repeat it).

Statement of Claim

Defendant Erane C.
Washington

Defendant Washington was, is, a so-called State Court Judge for the 14-B District Court in Ypsilanti assigned to the case STATE OF MICHIGAN v. ERIC MARTIN, No. 23S-00425 ST.

As such, I filed a Demand for a order that Washington order Michigan State Police officers Ryan Lass, Robert Herret, to go get my motorcycle from Sakstrups Bowling and give it to me or allow me to pick it up without my having to pay their fees.

Washington refused to do so and conspired with all the rest of the defendants in this lawsuit, being Lass, Herret, Mike, to deprive me

of my motorcycle (my private property) in violation of my Due Process Right to own, use, my private property of Art. 1, § 17 of The Michigan Constitution, Fourteenth Amendment of The United States Constitution, Art. 1, § 16 of The Michigan Constitution (as a form of Cruel or Unusual Punishment), Eighth Amendment of The United States Constitution, and my God-Given, Natural, Common Law Right to own, use my private property, and conspiring with Lass, Herrot, Mike, in violating my Right Against Unreasonable Searches and Seizures, Art. 1, § 11 of The Michigan Constitution, Fourth Amendment of The United States Constitution.

III.

Statement of Claim

Defendant Erance C.
Washington

I also filed a Demand for a order that all the tickets, charges, in the case be dismissed pursuant to my legit, overriding, higher cited legal, Constitutional law in support of my position. However, in violation of the cited law above, as to my Constitutional Right to Own, Use My Private Property, To Not Have My Property Seized, and not be subjected to Cruel or Unusual Punishment, Fundamental Fairness of The Due Process Clauses, and otherwise as indicated in that Demand, and Right to Travel, Defendant Washington did not dismiss any of the charges.

III.

Statement of Claim

Defendant ~~James~~ Crane
C. Washington

Washington fraudulently acted as if she had, have, jurisdiction over me when she didn't, doesn't because:

1. I am a Living Man, One of The People, Sovereign.

2. There was no, is no, injured plaintiff in the case as to any of the charges.

3. The plaintiff is the STATE OF MICHIGAN, in which there is no original jurisdiction as the so-called 14-B District Court is not The Supreme Court, see Art. III, sec. 2 of U.S. Const.

4. Washington ~~was~~ not, is not, a real judge, but instead a clerk masquerading as a

III. Statement of Claim

Defendant Erave C.
Washington

judge, but merely a administrative officer.

~~The~~ Defendant Washington in fraudulently acting as if she has jurisdiction over me as a living Man, otherwise, when she didn't, doesn't, violated my Due Process Right, art.1, §17 of The Michigan Constitution, Fourteenth Amendment of United States Constitution, My God-Given, Natural, Common-Law, Constitutional Right to be Sovereign, Declaration of Independence of 1776, Art. IV, sec. IV of The United States Constitution, but not necessarily limited to such.

III. Statement of Claim

Defendant Erane C.
Washington

On 9-14-23 during the pretrial conference in the same above listed case, as I was talking Washington rudely talked over me and didn't let me finish what I wanted to say and shut our zoom connection off as I was still talking.

I told Washington I filed with her a petition for a hearing on my motorcycle and asked her ~~and asked her~~ what's going on with it?. In response, Washington said she doesn't accept petitions. Washington did not make a ruling, decision, holding, as in a granting or denial on the merits of any of the petition(s) I

III.

Statement of Claim

Defendant Erane C.
Washington

filed, that i was, am aware of.

During this pretrial conference Washington asked me if i wanted a attorney appointed and i said no i will not be accepting any attorneys to represent me and if any think they are representing me they are fired.

However, Washington still said she was appointing a Pd as stand by (I guess that means a Public Defender). So it seems to me Washington appointed me a lawyer against my consent not for her but to try to force me into taking one so she can fraudulently act as if im the defendant when i wasnt, cant be, and in violation of my right to

III. Statement of Claim

Defendant Orance C.
Washington

Present myself, be myself, and without a attorney trying to fraudulently portray me as a legal fiction corporate-entity defendant, and to be the living Man, One of The Sovereign People, that i am entitled to, and in which The U.S. Supreme Court acknowledged we have the right to be, in violation of The Declaration of Independence of 1776, Art. IV, sec. IV of The U.S. Constitution (The Right to be Sovereign means the Right to a Republican Form of Government), Art. I, § 13 of The Michigan Constitution, Art. I, § 9 and Art. I, § 17 of The Mich. Const., 13th Amendment of The U.S. Constitution, Fourteenth Amendment of U.S. Constitution

III.

Statement of Claim

Defendant Grace C.
Washington

Based on Defendant Washington violating my rights as contained in this suit, I have reason to believe she has violated other unknown (at this time) similarly situated plaintiffs rights as she did me as part of her habit, and as such I, we, bring claims against her for doing the same, similar, violations to them.

All of the defendants in this complaint have also violated 18 U.S.C. § 241 and/or 242

IV. Injuries

If you sustained injuries related to the events alleged above, describe your injuries and state what medical treatment, if any, you required and did or did not receive.

I was deprived of my motor-cycle from 2-11-23 and since this date had to walk home on this date. And since then I have been having to peddle around on my bike all over the place (which is a lot of peddling) as I am constantly busy doing things that I have to do. Having to peddle about 26 miles every (cont.)

State briefly what you want the court to do for you. Make no legal arguments. Do not cite any cases or statutes. If requesting money damages, include the amounts of any actual damages and/or punitive damages claimed for the acts alleged. Explain the basis for these claims.

Award nominal, Compensatory, Punitive Damages against all the defendants, and Order all the defendants to never violate my, our Rights again relevant to this case. Order Defendants Bass, Herrest, be fired from their job as police officers. Enter a temporary restraining (cont.)

IV. Injuries

Saturday to go to The Dance Club in Downtown Detroit, ~~and~~ get groceries ~~for~~ for myself which is often, several times a week, total of 2 miles a trip to the local Dollar Tree, Kroger. Peddling to work is about a mile there and back, usually twice a week.

I often peddle to Walmart in Southgate (about 5 miles there and back = 10 miles) to get bird food. I couldn't go to the graveyard to pay my respects to my mother, father, as they are all the way in Holly, Michigan and without my motorcycle it would be too far to go on my peddle ~~back~~ bike.

V. Relief

because of not having or showing proof of a drivers license, registration, insurance, motorcycle endorsement (for a motorcycle), when i, we, aint driving a motor vehicle (as that term is defined in 18 U.S.C. § 31(6)(10), because, when we, i, aint carrying passengers, or property for profit, and exercising my, our Right to Travel.
